

Firearms and Archery Recreation Range Program

Purpose:

Acquire, develop, and renovate public and private nonprofit firearm range and archery training and practice facilities.

Eligible Grant Recipients:

- Municipal subdivisions (cities, towns, counties, and port, park and recreation, and school districts)
- Private nonprofit organizations (sport and gun clubs)
- State agencies

To qualify for funding, ranges must be open on a regular basis to law enforcement personnel, hunter safety education classes, and the general public. Grant recipients must provide matching funds in either cash or in-kind contributions.

Eligible Projects:

Acquisition, development and renovation projects, capital equipment purchase, safety or environmental improvements, noise abatement, and liability protection. Priority is given to noise abatement and safety improvement projects.

Grant Evaluation Process:

Grant applications are evaluated in a competitive process by a ten-member team of firearms and archery representatives.

Revenue Source:

\$3 from each concealed pistol license fee.
